TRANSMITTAL OF DUPLICATE ANNOTATED MARKED-UP DRAWINGS

This follows an Advisory Action mailed April 24, 2006, made in response to Applicants' Response filed April 5, 2006, and a subsequent interview with Examiner Burch on April 28, 2006.

This filing, and the Response on April 5, 2006, are filed in response to the Office Action mailed December 2, 2006. A Petition for Extension of Time filed with the April 5 Response extended the period for response to the Office Action two months to May 2, 2006. Since this response is being filed within the earlier extension period and merely seeks to transmit duplicates of marked-up drawings, it is believed that no further

extension is required. In the event that an additional fee is due, authorization to charge Assignee's Deposit Account is provided in the final paragraph of this document.
